VINS D'ALSACE

Pinot Gris Tradition 2022

AOC Alsace, Alsace, France

Toasty, subtle, fleshy

THE VINTAGE

After a dry winter and an early spring, May was unpredictable, extending the flowering period. In June, a violent storm was followed by over two months of intense drought, putting the vines under severe stress, before timely rains arrived just before the harvest. The harvest started on August 29th under scorching heat and concluded on September 23rd. Finally, on October 27th, we were fortunate to harvest superb Gewurztraminer and Pinot Gris for late harvests under the autumn sun.
