

Sipp Mack

VINS D'ALSACE

Sipp Mack is located at the top of Hunawihr, a picturesque village nestled along the Vosges foothills between Riquewihr and Ribeauvillé. The family winery is run by Jacques and Laura Sipp and their daughter, Carolyn.

As the 10th generation of winemakers, they bring an environmentally sound vision to vineyard farming and winery operations. Their desire to offer consistent top-quality organic wines from their 23 hectares of vineyards. The soils are varied but essentially calcareous clay.

Sipp Mack vinifies all 7 varieties of Appellation AOC Alsace wines, Crémant d'Alsace, and two Appellation AOC Alsace Grand Crus, the Grand Cru Rosacker and Grand Cru Osterberg. In excellent years, the winery also produces Late Harvest wines.
