

VINS D'ALSACE

Pinot Noir Vieilles Vignes 2022

AOC Alsace, Alsace, France

Structured, red fruits, elegant

THE VINTAGE

After a dry winter and an early spring, May was unpredictable, extending the flowering period. In June, a violent storm was followed by over two months of intense drought, putting the vines under severe stress, before timely rains arrived just before the harvest. The harvest started on August 29th under scorching heat and concluded on September 23rd. Finally, on October 27th, we were fortunate to harvest superb Gewurztraminer and Pinot Gris for late harvests under the autumn sun.

TERROIR

Clay-limestone soil, 300 m altitude. Selection of old vine plots over 40 years old from the terroirs of Hunawihr and Ribeauvillé. Organic farming.

WINEMAKING

Hand-harvested, 100% destemmed. Alcoholic fermentation in stainless steel tanks, followed by malolactic fermentation in Burgundian oak barrels. 10 months of aging in barrels for about 40% of the production. Winemaking adheres to organic standards.

VARIETAL

REVIEWS AND AWARDS

90/100

"Elegant with juicy raspberry, cherry and rose flavors that mingle with blood orange acidity, and hints of cardamom. The structure is firm, yet graceful, with a silky texture that adds to the overall pleasure. Lingers with elegance."

Wine Enthusiast

89/100

"Alsace-huset Sipp Mack har et stort og spændende repertoire, som denne Pinot Noir Vieilles Vignes indgår i. Til min smag scorer de bedst på Riesling og Cremant, og denne Pinot Noir får mig ikke til at ændre på den opfattelse. Bevares, det er en helt fin vin, men den bliver lidt for bastant i sit udtryk, og derfor går nogle af de fine nuancer i den elegante Pinot Noir-frugt tabt undervejs."
