

VINS D'ALSACE

Riesling Lieu-dit Muhlfurst 2021

AOC Alsace, Alsace, France

Lime, bright, acidity

THE VINTAGE

Spring 2021 was very warm, leading to an early budburst in the vines. After a scare caused by frost, warm and rainy periods encouraged downy mildew (mildiou) outbreaks, requiring constant vigilance. In August, the return of good weather coincided with powdery mildew (oidium) episodes, worsening the situation and reducing yields. Fortunately, the sun returned in September and October, along with cool nights, saving the harvest. The harvest began on September 21st and ended on November 8th with the Riesling Grand Cru Osterberg.
